

## Social Media

## Campus facilities and funds

## Resident hall events

## School

## Food

## Convenient

**Put out a poll on how people are feeling about the dorm there living in.**

**More funding for clubs that are not as big as the known clubs.**

Have a get together in the residence hall that is mandatory to get people out there room, this will include (snacks, games, ice breakers and prizes)

**There should be a tutoring center for every main subject**

Add a local/retail store where college students can buy basic necessities

**Have more options for food**

**Make a place inside buildings to drop off cardboard**

An area for anonymous people to send reviews in on how they are feeling about campus.

**Make more scholarships accessible for more students**

Have competition between residence hall to intertwine the living communities even more

**There should be a place for studying outside surrounded by scenery.**

Improve the healthiness of at least one of the dining halls so students don't have to cram into freshgreens to get a healthy meal.

**Reducing wait times for food, both for dining halls and retail places.**

**Have all elevators functioning at all time.**

Make a social media platform for all the events going on that mainly caters for freshmen.

Extended the time of the wellness/health center for people who get sick who can not get to any other service besides the one on campus.

Every month have lunch outside of residence halls because it is good to have a good break from dining halls.

**Make dining halls close later**

For holidays, there should be an event for people who can't go back home like Thanksgiving food

Have an app that can group all the improvements that we just listed, this ensures that everything can be in one place.

**Give out free T-shirts that have the residence hall on the t-shirt.**
